RUBY AND SERGEANT BIOGRAPHIES

Ruby
Barnett Vineyards

Ruby is our beloved vineyard cat. Ruby was one of 2 kittens that we brought home approximately 7 years ago. Her sister, Jewel hangs out at the house with our other cat Luna, but Ruby has chosen to stay at the winery and the winery office. She is obviously the social one that loves to hang out on the deck with all of our visitors. She knows that she will get the occasional treat from someone.

Ruby can be found most of the time curled up in a sunny spot on the deck. Which is not a bad place to be!

Sergeant is our vineyard dog. Almost every winery has a dog that frolics in the vineyards. Sergeant was one of 10 puppies and we brought him home with us about 3 and ½ years ago. He has a very regal quality about him and is also a wonderful watchdog that looks over the property. He is the most affectionate dog we have ever had and is loved dearly by the whole family. During the day he runs all over the property and at night he curls up on the couch and watches TV.

Sergeant also loves to welcome guests and looks forward to meeting new people when they visit the winery.
